PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
H&E EQUIPMENT SERVICES, INC.

TO BE HELD MAY 15, 2015

This Proxy Statement sets forth certain information with respect to the accompanying proxy to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) of H&E Equipment Services, Inc., or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors has designated the Grand Hyatt DFW Hotel, 2337 South International Parkway, DFW Airport, Texas as the place of the Annual Meeting. The Annual Meeting will be called to order at 7:30 a.m., Central Daylight Time, on Friday, May 15, 2015. Only stockholders of record as of the close of business on March 19, 2015, the Record Date, are entitled to vote. The Board of Directors solicits this proxy and encourages you to read this document thoroughly and to take this opportunity to vote on the matters to be decided at the Annual Meeting. Unless the context otherwise indicates, reference to “we,” “us,” “our” or the “Company” in this Proxy Statement means H&E Equipment Services, Inc.

Under rules and regulations of the Securities and Exchange Commission (the “SEC”), instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner of our common stock, we are furnishing proxy materials, which include our Proxy Statement and Annual Report, to our stockholders over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. *You will not receive a printed copy of the proxy materials unless you request to receive a paper copy or an email copy of these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials.* Instead, the Notice of Internet Availability of Proxy Materials will instruct you how you may access and review all of the important information contained in the proxy materials on the Internet. The Notice of Internet Availability of Proxy Materials also instructs you how you may submit your proxy via telephone or the Internet. This proxy procedure enables all holders of common stock, many of whom are unable to attend the Annual Meeting, to vote. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

We are mailing the Notice of Internet Availability of Proxy Materials on or about March 30, 2015 to each stockholder at the holder’s address of record. SEC rules permit us to deliver only one copy of the Notice of Internet Availability of Proxy Materials or a single set of proxy materials to multiple stockholders sharing the same address. Upon written or oral request, we will deliver separate Notices and/or copies of our 2014 Annual Report and/or this Proxy Statement to any stockholder at a shared address to which a single copy of the Notice was delivered. Stockholders may notify our Company of their requests by calling or writing our Investor Relations Department, H&E Equipment Services, Inc., 7500 Pecue Lane, Baton Rouge, Louisiana 70809; (225) 298-5200.

VOTING PROCEDURES

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present in person or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to ensure that your shares will be represented. Stockholders can choose among the following methods to vote:

Via the Internet — Stockholders can vote by voting their shares via the Internet as instructed on the website identified in the Notice of Internet Availability of Proxy Materials. The Internet procedures are designed to authenticate a stockholder's identity to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Internet voting for stockholders of record is available 24 hours a day and will close at 7:00 p.m., Eastern Daylight Time, on May 14, 2015. The Notice instructs you how to access and review all important information in the Proxy Statement and Annual Report. You will then be able to request that copies of proxy materials be emailed to you or you will be directed to select a link where you will be able to vote on the proposals presented here.

By Telephone — The Notice of Internet Availability of Proxy Materials includes a toll-free number you can call to request printed copies of proxy materials. Telephone voting for stockholders of record is available 24 hours a day and will close at 7:00 p.m., Eastern Daylight Time, on May 14, 2015. The printed proxy materials include a different toll-free number that you can call for voting.

By Mail — Stockholders who receive a paper Proxy Card may elect to vote by mail by completing, signing and dating their Proxy Card and mailing it in the pre-addressed envelope that accompanies the delivery of a paper Proxy Card. Proxy Cards submitted by mail must be received prior to the Annual Meeting in order for your shares to be voted. Stockholders who hold shares beneficially in street name may vote by mail by requesting a paper Proxy Card according to the instructions contained in the Notice of Internet Availability of Proxy Materials, and then completing, signing and dating the Proxy Card provided by the brokers or other agents and mailing it in the pre-addressed envelope provided.

At the Annual Meeting — Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the broker or other agent that holds your shares giving you the right to vote the shares and you bring such proxy to the Annual Meeting.

If you vote via the Internet, by telephone or by mailing a Proxy Card, we will vote your shares as you direct. For the election of directors (Item 1), you can specify whether your shares should be voted for all, some or none of the nominees for director listed. With respect to the ratification of our Audit Committee's appointment of BDO USA, LLP as our independent registered public accounting firm (Item 2), you may vote "for" or "against" the ratification, or you may abstain from voting on the ratification. For the proposal regarding an advisory vote on Named Executive Officer compensation (Item 3), you may vote "for" or "against" the proposal, or you may abstain from voting.

You may revoke or change a previously delivered proxy at any time before the Annual Meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to the corporate Secretary of the Company at the Company's principal executive offices before the beginning of the Annual Meeting. You may also revoke your proxy by attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above. Unless properly revoked, properly executed and delivered proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided and if no directions are provided on such properly executed and delivered proxy, those shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors, as stated in this Proxy Statement and in the Notice of Internet Availability of Proxy Materials,

Table of Contents

specifically (1) in favor of our nominees for directors; (2) in favor of the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2015; and (3) in favor of Named Executive Officer compensation as disclosed in this Proxy Statement. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of not more than three people, to whom you wish to give your proxy.

Who can vote? Only stockholders of record as of the close of business on March 19, 2015, the (“Record Date”), are entitled to vote. On that day, approximately 35,259,408 shares of common stock were outstanding and eligible to vote, and there were 139 record holders. Each share is entitled to one vote on each matter presented at the Annual Meeting. A list of stockholders eligible to vote will be available at the offices of H&E Equipment Services, Inc., 7500 Pecue Lane, Baton Rouge, Louisiana 70809 beginning May 4, 2015. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting by contacting the Secretary of the Company.

How does the Board recommend I vote? The Board recommends the following votes:

- **FOR** each of the Board’s nominees for election (Item 1);
- **FOR** the ratification of the Audit Committee’s appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2015 (Item 2); and
- **FOR** approval of the compensation of the Company’s Named Executive Officers as disclosed in this Proxy Statement (Item 3).

How are votes counted? The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Annual Meeting in person or by proxy. If you are a stockholder whose shares are not registered in your name and you do not vote, then your bank, broker or other holder of record may still represent your shares at the Annual Meeting for purposes of obtaining a quorum.

In the absence of your voting instructions, your bank, broker or other holder of record may not be able to vote your shares in its discretion depending on the proposal before the Annual Meeting. As a result of rules applicable to director elections after January 1, 2010, your broker may no longer vote your shares in its discretion in the election of directors; therefore, you must vote your shares if you want them to be counted in the election of directors. In addition, your broker is also not permitted to vote your shares in its discretion regarding matters related to executive compensation, including the advisory vote on executive compensation, and such broker non-votes will not be counted as shares present and entitled to be voted with respect to these proposals. However, your broker may vote your shares in its discretion on routine matters such as the ratification of the Company’s independent registered public accounting firm.

Because each director nominee is elected by the affirmative vote of the holders of a plurality of the shares of common stock voted, abstentions will have no effect on the election of director nominees (Item 1). The ratification of the appointment of BDO USA, LLP (Item 2) and the approval of the advisory vote on the compensation of the Company’s Named Executive Officers as disclosed in this Proxy Statement (Item 3) require the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting. Because abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether Item 2 and Item 3 have been approved, for those proposals abstentions have the same effect as negative votes. Because your vote on Item 3 is advisory, such votes will not be binding on the Board or the Company. However, the Board will review the voting results and as further described herein, may take them into consideration when making future decisions regarding executive compensation.

Who will count the vote? The votes will be tabulated by the Company’s Director of SEC Reporting & Compliance, W. Scott Bozzell, the inspector of elections appointed by the Board of Directors for the Annual Meeting.

Where can I find the results of the Annual Meeting? We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K within four business days of the Annual Meeting.

Who is soliciting this proxy? Solicitation of proxies is made on behalf of the Board of Directors of the Company. The cost of soliciting proxies, including preparing, assembling and mailing the Notice of Internet Availability of Proxy Materials, Proxy Statement, form of proxy and other soliciting materials, as well as the cost of forwarding such material to the beneficial owners of stock, will be paid by us, except for some costs associated with individual stockholders' use of the Internet or telephone. In addition to solicitation by e-proxy and/or by mail, directors, officers, regular employees and others may also, but without compensation other than their regular compensation, solicit proxies personally or by telephone or other means of electronic communication. We may reimburse brokers and others holding stock in their names or in the names of nominees for their reasonable out-of-pocket expenses in sending proxy materials to principals and beneficial owners.

What if I can't attend the Annual Meeting? If you are unable to attend the Annual Meeting in person and you intend to vote, you may vote your shares by proxy, via the Internet, by telephone or by mail by the applicable deadline.

CORPORATE GOVERNANCE

In accordance with the Delaware General Corporation Law and the Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, the Company's business, property and affairs are managed under the direction of the Board of Directors. Although the Company's non-management directors are not involved in the day-to-day operating details, they are kept informed of the Company's business through reports and materials provided to them regularly, as well as by operating, financial and other reports presented by the officers of the Company at meetings of the Board of Directors and committees of the Board of Directors.

Board Leadership Structure. Gary W. Bagley serves as the Chairman of the Board and in such capacity presides over meetings of the Board. Our Chief Executive Officer ("CEO") is John M. Engquist, and he manages

[Table of Contents](#)

the business and affairs of the Company under the direction of the Board. We currently separate the positions of CEO and Chairman of the Board. The Corporate Governance and Nominating Committee has reviewed this leadership structure and has determined that it is the most appropriate structure for the Company because it enables the CEO to focus on running the Company's business while the Board Chairman focuses on the Board. Mr. Engquist provides very hands-on leadership running the business on a day-to-day basis, and the Corporate Governance and Nominating Committee believes that currently it is most effective to keep the principal executive officer and Board chair positions separate.

The Board's Role in Risk Oversight. The Board as a whole has responsibility for the general oversight of risk, and the Board's committees address and report to the Board on any individual risk areas within their purview. Risk and risk management is a recurring agenda item at regular Board and Board Committee meetings, and the Board also discusses any specific risk topics as applicable. The Company's senior management makes presentations to the full Board as to the areas of principal risk, as well as on the processes that the Company has in place to identify, assess and report such risks.

The Board committees report to the Board on their consideration of any risks within their respective areas of focus. The Audit Committee primarily oversees risks relating to or arising from financial and disclosure controls and procedures, and accounting and other financial matters. The Company's Chief Financial Officer reports to the Audit Committee on such risks and related risk management, and the Company's internal auditors, compliance manager, and independent auditors each regularly provide reports at Audit Committee meetings. The Compensation Committee has considered whether the Company's compensation policies and practices create risks that are reasonably likely to have a material adverse effect on its business or operations. The Corporate Governance and Nominating Committee and the Finance Committee review any risks that come within their respective areas of responsibility (e.g., governance in the case of the Corporate Governance and Nominating Committee, and in the case of the Finance Committee, any extraordinary corporate transactions that such committee may consider).

Independence. The Board has determined that six of the Company's eight directors are "independent" as defined in the applicable listing standards of the Nasdaq Stock Market LLC, including that each such director is free of any relationship that the Board believes would interfere with his individual exercise of independent judgment. The following directors were determined to be independent: Paul N. Arnold, Bruce C. Bruckmann, Patrick L. Edsell, Thomas J. Galligan III, Lawrence C. Karlson and John T. Sawyer.

In making its determinations regarding director independence, the Board considered, among other things:

- any material relationships with the Company, its subsidiaries or its management, aside from such director's service as a director;
- transactions between the Company, on the one hand, and the directors and their respective affiliates, on the other hand;
- transactions outside the ordinary course of business between the Company and companies at which some of its directors are or have been executive officers or significant stakeholders, and the amount of any such transactions with these companies; and
- relationships among the directors with respect to common involvement with for-profit and non-profit organizations.

Conflicts of Interest and Corporate Governance Matters. Under our Code of Conduct and Ethics for Employees, Officers and Directors of H&E Equipment Services, Inc. ("Code of Conduct"), no employee or officer may serve as a director of any outside business concern, other than on behalf of the Company, without the written approval of the President or the Chief Financial Officer of the Company. The Charter of the Corporate Governance and Nominating Committee empowers the Corporate Governance and Nominating Committee to at least once a year review the independence of the members of the Board of Directors and consider questions of

[Table of Contents](#)

conflicts of interest. The Corporate Governance and Nominating Committee will identify, analyze, and, if possible, resolve any actual and potential conflicts of interest a Board member has or may have. In connection with an actual or potential conflict of interest, the Corporate Governance and Nominating Committee may issue to such member instructions concerning the manner in which he should conduct himself, as applicable. There are no pre-determined limitations on the number of other boards of directors on which the directors of the Company may serve; however, the Board expects individual directors to use judgment in accepting other directorships and to allow sufficient time and attention to Company matters. There are no set term limits for directors; however as long as the Board is not classified, the Corporate Governance and Nominating Committee will review each director's continuation on the Board annually.

Code of Conduct. The Company is committed to ethical business practices. We have a corporate Code of Conduct that applies to all of the Company's employees and directors and includes the code of ethics for the Company's principal executive officer, principal financial officer and principal accounting officer within the meaning of the SEC regulations adopted under the Sarbanes-Oxley Act of 2002, as amended. The Company's corporate Code of Conduct can be found on the Company's Internet website at www.he-equipment.com under the heading "Code of Conduct and Ethics." Please note that none of the information on the Company's website is incorporated by reference in this Proxy Statement.

Communications with the Board of Directors. If you would like to communicate with the Company's directors, please send a letter to the following address: H&E Equipment Services, Inc., Attention: Board of Directors c/o corporate Secretary, 7500 Pecue Lane, Baton Rouge, Louisiana 70809. The Company's corporate Secretary will review each such communication and forward a copy to the Board of Directors.

Meetings of the Board of Directors and Stockholders. It is the policy of the Board to meet at least quarterly. The Board of Directors held seven meetings in 2014. In 2014, the Board also held regular executive sessions where non-management directors met without management participation.

Each incumbent director attended at least 75% of the meetings of the Board and the committees on which he served in 2014. Directors are encouraged to attend the Annual Meeting of Stockholders. All current directors attended the 2014 Annual Meeting of Stockholders.

Committees of the Board of Directors. The Board of Directors currently has four standing committees: Audit Committee, Compensation Committee, Corporate Governance and Nominating Committee and Finance Committee. Charters for the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee can be found on the Company's website at www.he-equipment.com under the heading "Investor Relations/Corporate Governance."

Audit Committee — The Audit Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's Internet website. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community, and others relating to (i) the integrity of the Company's financial statements and financial reporting processes; (ii) the Company's systems of internal accounting and financial controls, including internal controls over financial reporting; (iii) performance of the Company's internal auditors and independent registered public accounting firm; (iv) the independent registered public accounting firm's qualifications and independence; (v) the annual independent audit of the Company's consolidated financial statements; and (vi) the Company's compliance with ethics policies, legal policies and regulatory requirements, as applicable. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication among the Audit Committee, the independent registered public accounting firm, the internal auditors and Company management. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain at the expense of the Company independent outside counsel or other experts or advisers as it deems necessary to carry out its duties. A detailed list of the Audit Committee's functions is included in its charter, a copy of which

[Table of Contents](#)

can be found on the Company's Internet website. The Company maintains a policy that the Audit Committee review transactions in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. The Audit Committee is responsible for reviewing and, if appropriate, approving or ratifying any such related party transaction. This policy has been communicated orally by the Board. See the "Certain Relationships and Related Transactions — Related Party Transactions" section of this Proxy Statement.

The current members of the Audit Committee are Messrs. Edsell, Galligan, Karlson and Sawyer and Mr. Sawyer is the Chair of this committee. The Board has determined in its business judgment that each member of the Audit Committee is financially literate and that Messrs. Edsell, Galligan, Karlson and Sawyer are "independent" as defined in the applicable NASDAQ listing standards and the applicable rules under the Exchange Act. In addition, the Board has determined that Messrs. Edsell and Galligan are "audit committee financial experts" as that term is defined in Item 407(d)(5) of Regulation S-K of the Exchange Act. The Audit Committee held eight meetings in 2014.

Compensation Committee — The Compensation Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's Internet website. The Compensation Committee discharges the Board's responsibilities relating to the compensation of the Company's Chief Executive Officer, the Company's other executive officers and its directors. The Compensation Committee has overall responsibility for evaluating and approving executive officer and director compensation plans, policies and programs of the Company, as well as all equity-based compensation plans and policies, including the Company's 2006 Stock-Based Incentive Compensation Plan.

On an annual basis, the Compensation Committee reviews and sets the compensation of the Chief Executive Officer taking into account a variety of factors, as more fully described in the "Compensation Discussion & Analysis" section of this Proxy Statement. The Compensation Committee also sets compensation for certain other executive officers after considering recommendations provided by the Chief Executive Officer and/or the Chief Operating Officer and a variety of other factors, as more fully described in the "Compensation Discussion & Analysis" section of this Proxy Statement.

On an as-needed basis, the Compensation Committee may retain independent compensation consultants to assist the Compensation Committee in evaluating and structuring our executive compensation programs and making compensation decisions.

The Compensation Committee is authorized to delegate any of its responsibilities to subcommittees, as the Compensation Committee deems appropriate. To date, the Compensation Committee has not exercised this right. For additional description of the Compensation Committee's processes and procedures for consideration and determination of executive officer and director compensation, see the "Compensation Discussion & Analysis" section of this Proxy Statement.

The current members of the Compensation Committee are Messrs. Arnold, Edsell, Galligan and Karlson and Mr. Arnold is the Chair of this committee. The Board has determined in its business judgment that Messrs. Arnold, Edsell, Galligan and Karlson are "independent" as defined in the applicable NASDAQ listing standards. The members of the Compensation Committee are also non-employee directors under SEC Rule 16b-3 and outside directors under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Compensation Committee met eight times in 2014. For additional information on the Compensation Committee, see the "Compensation Discussion and Analysis" beginning on page 23.

Corporate Governance and Nominating Committee — The Corporate Governance and Nominating Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's Internet website at www.he-equipment.com. The primary functions of the Corporate Governance and Nominating Committee are (i) to assist the Board by identifying individuals qualified to become Board members

[Table of Contents](#)

and members of Board committees, to recommend to the Board the director nominees for the next annual meeting of stockholders, and to recommend to the Board nominees for each committee of the Board; (ii) to lead the Board in its annual review of the Board's, its committees' and management's performance; and (iii) to review, as appropriate, the Company's corporate governance structure and recommend any proposed changes to the Board. The Corporate Governance and Nominating Committee identifies individuals, including those properly submitted and recommended by stockholders, believed to be qualified as candidates for Board membership. The Corporate Governance and Nominating Committee has the authority to retain search firms to assist it in identifying candidates to serve as directors. In addition to any other qualifications the Corporate Governance and Nominating Committee may in its discretion deem appropriate, all director candidates should possess high personal and professional ethics, integrity and values, and should have sufficient time available to devote to service on the Board and Board committees. A majority of the Board must be comprised of independent directors. Neither the Corporate Governance and Nominating Committee nor the Board has a policy regarding consideration of diversity in selecting director candidates. In identifying and recommending director candidates, the Corporate Governance and Nominating Committee considers each individual's specific experience and qualifications to determine that individual's desirability and suitability for service on the Company's Board, and also considers the qualifications and composition of the Board as a whole.

The Corporate Governance and Nominating Committee considers stockholder nominees for directors in the same manner as nominees for director from other sources. Stockholder suggestions for nominees for director should be submitted to the Company's corporate Secretary no later than the date by which stockholder proposals for action must be submitted (see "Submission of Stockholder Proposals and Director Nominations" below) and should include the following information: (a) the recommending stockholder's name, address, telephone number and the number of shares of the Company's common stock held by such individual or entity and (b) the recommended candidate's biographical data, statement of qualification and written consent to nomination and to serving as a director, if elected.

The current members of the Corporate Governance and Nominating Committee are Messrs. Bruckmann, Karlson and Sawyer and Mr. Karlson is the Chair of this committee. The Board has determined in its business judgment that Messrs. Bruckmann, Karlson and Sawyer are "independent", as defined in the applicable NASDAQ listing standards. The Corporate Governance and Nominating Committee held five meetings during 2014.

Finance Committee — The Finance Committee was established by the Board of Directors and operates under a written charter. The Finance Committee oversees and reviews any significant financial affairs and policies of the Company and oversees and monitors all material potential business and financial transactions, as well as any other duties assigned to it by the Board of Directors. The current members of the Finance Committee are Messrs. Bagley, Bruckmann, and Engquist and Mr. Bruckmann is the Chair of this committee. The Finance Committee met nine times in 2014.

SUBMISSION OF STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Under the rules of the SEC, stockholders wishing to have a proposal included in the Company's Proxy Statement for the Annual Meeting of Stockholders to be held in 2016 must submit the proposal so that the corporate Secretary of the Company receives it no later than December 1, 2015. The SEC rules set forth standards as to what stockholder proposals are required to be included in a proxy statement. Under the Company's Amended and Restated Bylaws, certain procedures must be followed for a stockholder to nominate persons as directors or to introduce a proposal at an annual meeting of stockholders. A stockholder wishing to make a nomination for election to the Board of Directors or to have a proposal presented at an annual meeting of stockholders must submit written notice of such nomination or proposal so that the corporate Secretary of the Company receives it not less than that date which is 120 days prior to the one year anniversary of the date the Company's proxy statement was released to stockholders in connection with the preceding year's annual meeting

of stockholders; provided, however, that in the event that the Company did not hold an annual meeting of stockholders the preceding year or if the date of the annual meeting of stockholders is changed by more than 30 days from the date of the preceding year's annual meeting of stockholders, notice by the stockholder must be delivered within a reasonable time before the Company prints and mails its proxy materials (or makes them available on the Internet) in connection with the annual meeting of stockholders. The Company's Amended and Restated Bylaws also set forth certain informational requirements for stockholders' nominations of directors and proposals.

ITEM 1 — ELECTION OF DIRECTORS

The Company's Amended and Restated Bylaws provide that the Company's business shall be managed by a Board of Directors ranging from five to nine members. The number of directors may be increased or decreased from time to time by resolution of the Board of Directors. Directors shall be elected at the annual meeting of the stockholders and each director elected shall hold office until a successor is duly elected and qualified or until his or her death, resignation or removal.

The Company's Board of Directors is currently comprised of eight members. The Corporate Governance and Nominating Committee identifies and recommends director candidates to serve on the Board. Director candidates are then nominated for election by the Board of Directors. Stockholders are also entitled to nominate director candidates for election in accordance with the procedures set forth in the Company's Amended and Restated Bylaws (see "Corporate Governance — Committees of the Board of Directors — Corporate Governance and Nominating Committee" and "Submission of Stockholder Proposals and Director Nominations" above).

In identifying and recommending director candidates to serve on the Board, the Corporate Governance and Nominating Committee considers the qualifications and composition of the Board as a whole, taking into account the totality of experience, skills and other qualifications or attributes that the individual nominees collectively bring to the Board. The Committee also considers each individual's experience, skills and other qualifications and attributes to determine that individual's suitability and desirability for service on the Company's Board. All director candidates should possess high personal and professional ethics, integrity and values, and should have sufficient time available to devote to service on the Board and Board committees. In addition, a majority of the Board must be comprised of independent directors. The experience, skills and attributes which the Corporate Governance and Nominating Committee considers include, but are not limited to, the individual's: (i) experience serving on the board of directors of a publicly traded company, (ii) independence; (iii) financial and/or audit committee experience; (iv) compensation committee experience; (v) experience with corporate transactions, such as capital-raising and other corporate finance transactions and acquisitions; (vi) experience in the Company's industry; and (vii) demonstration of overall responsibility for a company's performance, such as managing or operating a company.

At the Annual Meeting, eight directors are to be elected. All eight nominees have been recommended for election by the Corporate Governance and Nominating Committee. All nominees have consented to being named as nominees for directors of the Company and have agreed to serve if elected. If some or all of the nominees should become unavailable to serve at the time of the Annual Meeting, the shares represented by proxy will be voted for any remaining nominee(s) and any substitute nominee(s) designated by the Board of Directors. In no event, however, will the shares represented by proxy be voted for more than eight nominees. Director elections are determined by a plurality of the votes cast; however, in accordance with the Company's director resignation policy, a director who received more "withheld" votes than "for" votes in any uncontested election of directors is required to submit his or her resignation to the Board, and the Board, in consultation with the Corporate Governance and Nominating Committee, may accept the resignation or other alternative action as they deem appropriate. If the resignation is rejected, the Board will disclose the reasons for doing so in a report filed with the SEC within 90 days of the certification of the election results.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" for purposes of Section 18 of the Exchange Act or otherwise subject to liability under that Section. This report shall not be deemed "incorporated by reference" into any document filed under the Securities Act of 1933, as amended, or the Exchange Act, whether such filing occurs before or after the date hereof, regardless of any general incorporation language in such filings, except to the extent that the Company specifically incorporates it by reference.

The Audit Committee assists the Board in meeting its oversight responsibility to stockholders, potential stockholders, the investment community and others. The Audit Committee's function is one of oversight, recognizing that management is responsible for preparing the Company's financial statements, and the independent registered public accounting firm is responsible for auditing those statements. Management of the Company is responsible for (1) the preparation, presentation, and integrity of the Company's financial statements; (2) the appropriateness of the accounting principles and reporting policies that are used by the Company; (3) establishing and maintaining adequate internal control over financial reporting, as such term is defined in the Exchange Act; and (4) maintaining adequate disclosure controls and procedures, as such term is defined by the Exchange Act. The Company's independent registered public accounting firm is responsible for (1) auditing the Company's annual consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion on the conformity of those consolidated financial statements with accounting principles generally accepted in the United States of America ("GAAP"); (2) auditing and attesting to the Company's internal control over financial reporting based on criteria established in *Internal Control – Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (the "COSO criteria"); and (3) reviewing the Company's unaudited interim condensed consolidated financial statements. The Audit Committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board and report the results of its activities to the Board. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. In performing its oversight function, the Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the Company's independent registered public accounting firm. The Audit Committee will however take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

Table of Contents

The Audit Committee is directly responsible for the selection of the independent registered public accounting firm to be retained to audit the Company's consolidated financial statements and internal control over financial reporting, and once retained, the independent registered public accounting firm reports directly to the Audit Committee. The independent registered public accounting firm is ultimately accountable to the Audit Committee and the Board. The Audit Committee consults with and reviews recommendations made by the independent registered public accounting firm with respect to the Company's consolidated financial statements and related disclosures and internal control over financial reporting of the Company and makes recommendations to the Board as it deems appropriate from time to time. The Audit Committee is responsible for approving both audit and non-audit services to be provided by the independent registered public accounting firm. The Audit Committee is currently composed of four directors, all four of whom the Board has determined to be independent as that term is defined by applicable NASDAQ listing standards and SEC rules. The Board has determined, in accordance with applicable NASDAQ listing standards, that Messrs. Edsell and Galligan are audit committee financial experts, as defined in Item 407(d)(5) of Regulation S-K of the Exchange Act. The Audit Committee operates under a written charter adopted by the Board, which is available on the Company's Internet website at www.he-equipment.com. The Audit Committee charter is reviewed on an annual basis by the Audit Committee and is subject to amendment from time to time.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls, and discusses these matters with the Company's independent registered public accounting firm. The Audit Committee also discusses with senior management the Company's disclosure controls and procedures. The Audit Committee's oversight of the independent registered public accounting firm includes resolution of disagreements between management and the independent registered public accounting firm regarding financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's quarterly earnings releases, Quarterly Reports on Form 10-Q for the periods ended March 31, 2014, June 30, 2014 and September 30, 2014, and the audited consolidated financial statements in the Annual Report on Form 10-K for the year ended December 31, 2014 with management and the Company's independent registered public accounting firm, which included a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee also discussed with management and the independent registered public accounting firm the Company's internal control over financial reporting. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16 (Communications with Audit Committees). The Audit Committee received the written disclosures and the letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its 2015 audit. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the year 2014 results of its consolidated financial statement audit, its audit of the Company's internal controls over financial reporting and the overall quality of the Company's financial reporting. Both the Director of Internal Audit and the independent registered public accounting firm have direct access to the Audit Committee at any time on any issue of their choosing, and the Audit Committee has the same direct access to the Director of Internal Audit and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed BDO USA, LLP as the independent registered public accounting firm to audit the Company's consolidated financial statements for the year ending December 31, 2015 and internal control over financial reporting. Although action by the stockholders on this matter is not required under Delaware law or the Sarbanes-Oxley Act of 2002, as amended, or the rules of the SEC promulgated thereunder, the Audit Committee and the Board of Directors believe it is appropriate to seek stockholder ratification of this appointment in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. Ratification requires the affirmative vote of a majority of eligible shares present at the Annual Meeting, in person or by proxy, and voting thereon. If this appointment is not ratified by the stockholders, the Audit Committee may reconsider its appointment. One or more representatives of BDO USA, LLP are expected to attend the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The Board of Directors recommends a vote FOR ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis ("CD&A") provides an overview of the Company's executive compensation program together with a description of the material factors underlying the decisions which resulted in the compensation provided to the Company's Chief Executive Officer ("CEO"), President and Chief Operating Officer ("COO") and Chief Financial Officer ("CFO") (collectively, the named executive officers ("NEOs")) for 2014 (as presented in the tables which follow this CD&A).

Executive Summary

The Company's executive compensation program is designed to attract, retain and motivate a team of highly qualified senior executives who will promote both the near-term and long-term interests of our stockholders, while simultaneously discouraging excessive risk-taking by the Company's management. The Company seeks to achieve these goals by compensating our executives through a combination of base salary, annual cash bonus opportunities and long-term equity incentive awards. The Company is committed to linking pay to performance on an individual and company-wide basis. As a result, the Company generally does not enter into employment, change in control or severance agreements with our senior executives and does not provide supplemental executive retirement benefits, which the Company generally believes to be inconsistent with a performance-oriented approach to compensation (other than NEO participation in a Company sponsored 401(k) plan and accelerated vesting of certain equity awards made to NEOs upon a change in control).

The Company's compensation policies and decisions during fiscal 2014 were influenced by a variety of factors, including the fluctuating macroeconomic conditions within our industry and market, the NEO's individual experience, level of responsibility and performance as part of the Company's senior management team, the recommendation of management and the Axiom Report, as well as the continued achievements of the Company and executive management team as a whole, including in such areas as cash management, increasing stockholder value, new branch openings and upgrading the Company's fleet. Based on these factors, the Compensation Committee (the "Committee") approved salary increases and bonuses for 2014 for each of the NEOs.

Compensation Committee

The Committee is currently composed of four non-employee directors, each of whom is an independent director under the NASDAQ listing standards and the SEC rules. The Committee has responsibility for determining and implementing the Company's philosophy with respect to executive compensation. Accordingly, the Committee has overall responsibility for approving and evaluating the various components of the Company's executive compensation program. The Committee meets at least twice per year (and more often as necessary) to discuss and review the compensation of the NEOs. The Committee annually reviews and approves the compensation of the CEO. The Committee also reviews and approves the compensation of the other NEOs after considering the recommendations of the CEO. In establishing and reviewing compensation for the NEOs, the Committee considers, among other things, the financial results of the Company, recommendations of management and financial and compensation data for comparable companies.

[Table of Contents](#)

In January 2012, the Committee engaged Axiom Consulting Partners (“Axiom”), an independent compensation consultant, to provide the Committee a better understanding of peer compensation packages and to assist the Committee in setting NEO compensation. Axiom presented to the Committee an executive compensation study (the “Axiom Report”) at the Committee’s meeting on July 26, 2012. The Committee took the Axiom Report into account generally in determining the NEO’s 2012 and 2013 annual bonuses and setting their 2013 and 2014 compensation, in each case for the CEO, COO and CFO. The Axiom Report included market data for a peer group of companies (as described below in further detail).

In the third quarter of 2014, the Committee engaged Pearl Meyer & Partners (“Pearl Meyer”) as the Committee’s independent compensation consultant with respect to compensation matters. In connection with its engagement by the Committee, Pearl Meyer prepared a compensation study, dated October 30, 2014, that encompassed all areas of compensation, including salary ranges, bonus plans and long-term incentives (the “Pearl Meyer Study”). As described below in further detail, the Committee referred to the Pearl Meyer Study in determining 2014 annual bonuses for the NEOs.

The Committee operates under a written charter adopted by the Board of Directors of the Company on May 29, 2013. A copy of this charter is available on our Internet website at www.he-equipment.com under the heading “Investor Relations/Corporate Governance.”

Executive Compensation Philosophy and Objectives

The Committee’s goals in structuring the Company’s compensation program for its NEOs are to:

- provide incentives to achieve Company financial objectives;
- provide long-term incentives for the executive officers;
- set compensation levels competitively to attract and retain high quality executives and to motivate them to contribute to the Company’s success; and
- align the interests of executives with the interests of our stockholders.

The Committee has determined that to achieve these objectives, the Company’s executive compensation program should reward both individual and Company short-term and long-term performance. To this end, the Committee believes that executive compensation packages provided by the Company to its executive officers, including its NEOs, should generally include both cash and stock-based compensation. However, the Committee does not rely on any policy or formula in determining the appropriate mix of cash and equity compensation, nor does it rely on any policy or formula in allocating long-term compensation to different forms of awards.

Setting Executive Compensation; Processes; Role of Management

In making compensation decisions, the Committee considers the recommendations of management. A complete description of the Committee’s processes and the role of executives in setting compensation can be found earlier in this Proxy Statement in the section entitled “Corporate Governance — Committees of the Board of Directors — Compensation Committee.”

The Committee also considers corporate performance, the collective performance of the executive management team, an executive’s level of experience and responsibility and an executive’s current and past compensation levels. In addition, at times, the Committee reviews market data for comparable companies to develop a general sense of executive compensation at companies with which the Company believes it competes when hiring management employees.

In determining annual bonuses for the NEOs in 2014, the Committee also took into account the Pearl Meyer Study, which provided compensation data for comparable companies. The Committee does not attempt to

Table of Contents

establish or maintain a specific percentile with respect to peer group companies in determining compensation for the NEOs. However, the Committee does periodically review information regarding compensation trends and levels from a variety of sources in making compensation decisions.

Although the advisory stockholder vote on executive compensation is non-binding, the Committee also considered, and will continue to consider, the outcome of the vote when making compensation decisions for the NEOs. At the 2014 Annual Meeting of Stockholders held on May 16, 2014, approximately 97.6% of the stockholders who were eligible to vote on the “say on pay” proposal approved the compensation of our NEOs, while approximately 2.3% voted against such approval and approximately 0.1% abstained. The Committee believes that the results of the say on pay vote constitute compelling evidence of strong stockholder support of the Company’s existing compensation philosophy and objectives and the Committee’s actions and decisions with respect to NEO compensation, and, therefore, the Committee did not make material changes to its compensation philosophy and objectives as a result of such vote. The Company currently holds a say-on-pay vote on an annual basis in accordance with the preference expressed by our stockholders at our 2011 Annual Meeting. Accordingly, after this year’s vote, the Company expects to hold the next say-on-pay vote at our 2016 Annual Meeting.

2014 Executive Compensation Components

The Company’s executive compensation program is composed of three principal components:

- base salary;
- cash bonuses; and
- long-term incentives, consisting of equity awards.

In making decisions with respect to any element of an NEO’s compensation, the Committee considers the total current compensation that such NEO may be awarded and any previously granted unvested equity awards. The Committee’s goal is to provide compensation that is reasonable in relation to the Company’s compensation philosophy and objectives when all elements of potential compensation are considered.

None of the NEOs currently has an employment contract. The Company generally does not employ senior executives pursuant to employment agreements.

Base Salaries

In General. The Company provides NEOs with base salaries as a component of total remuneration to compensate them for services rendered during the fiscal year. In determining base salaries, the Committee takes into account several factors, including:

- historical information regarding compensation previously paid to NEOs;
- the individual executive’s experience and level of responsibility; and
- the performance of the Company and the executive management team.

In addition, at times the Committee considers base salaries paid by comparable companies. The Committee uses peer group data in a general sense to gauge the range of base salary levels of executive officers of such peer group companies in order to confirm the reasonableness of the base salaries of the NEOs and does not engage in benchmarking.

In the absence of a promotion or special circumstances, the Committee reviews and approves executive salaries once annually.

Table of Contents

Consideration of 2014 Base Salaries. The Committee considered the following factors in setting the NEOs' base salaries for 2014: the fluctuating macroeconomic conditions within our industry and market; the NEOs' individual experience, level of responsibility and performance as part of the Company's senior management team, including in the areas of cash management, increasing stockholder value, new branch openings and upgrading the Company's fleet; the recommendations of management; the Axiom Report; and the other factors discussed above. Based on these factors, the Committee approved increases in base salary for 2014 for Mr. Engquist, Ms. Magee and Mr. Barber in an amount of approximately three percent (3%). The following table sets forth the NEOs' base salaries for 2014 and compares them with the NEOs' base salaries for 2013:

| <u>Executive</u> | <u>2014 Base Salary</u> | <u>As Compared to 2013 Base Salary</u> |
|-------------------|-------------------------|--|
| John M. Engquist | \$793,000 | \$23,000, or 3.0%, increase from \$770,000 |
| Leslie S. Magee | \$397,000 | \$35,000, or 3.1%, increase from \$385,000 |
| Bradley W. Barber | \$427,000 | \$12,000, or 3.1%, increase from \$414,000 |

Annual Bonuses

In General. Annual cash bonuses are included as part of the executive compensation program because the Committee believes that a significant portion of each NEO's compensation should be contingent on the annual performance of the Company, as well as the collective annual performance of the executive management team. The Committee believes that this structure is appropriate because it aligns the interests of management and stockholders by rewarding executives for strong annual performance by the Company.

The NEOs are eligible for an annual bonus payable at the discretion of the Committee. In determining bonuses, the Committee typically takes into account bonus guidelines that are determined by the Committee in consultation with the CEO and other members of management. The guidelines, if adopted, are based on the Company's achievement of financial targets. The Committee reviews and approves these guidelines after discussion and in consultation with the CEO. Actual bonus amounts may differ from those provided under the guidelines since the Committee and CEO retain full discretion in determining bonuses.

After the close of a fiscal year, the Committee generally determines and approves the amount of the annual bonus earned by each NEO for such fiscal year. The bonus is typically paid in February or March following the fiscal year to which the annual bonus relates. At the discretion of the Committee, a portion of the bonus may be deferred, which deferred portion generally will be paid in two equal annual installments over the following two years and accrue interest at the Prime rate, which is reset annually each January 1st to the rate then in effect. The Committee determined to defer the portion of each NEO's respective 2014 discretionary bonus that was in excess of the target bonus amount. Accordingly, the Committee determined with respect to each of the CEO, COO and CFO to defer a portion of their respective 2014 discretionary bonus and pay such deferred amount in equal installments in 2016 and 2017. Such deferred amounts accrue interest at the Prime rate, which is reset annually each January 1st to the rate then in effect.

Consideration of 2014 Annual Bonus. For fiscal year 2014, the Committee approved bonus guidelines for the NEOs based on the Company's achievement of specified threshold and target levels of earnings before interest, taxes, depreciation and amortization (EBITDA) and return on gross net assets (ROGNA). For the Committee's purposes, ROGNA is defined as income (loss) from continuing operations before interest, taxes, depreciation and amortization adjusted for non-recurring items (or Adjusted EBITDA) divided by the sum of the average of gross rental equipment, gross property and equipment and net working capital. These financial objectives have been determined by the Committee to be the appropriate metrics to use for the 2014 bonus guidelines because EBITDA is familiar to and targeted by the executive management team and because ROGNA is a metric that demonstrates management's efficiency at managing assets and costs to generate earnings. These financial objectives are also consistent with the Committee's compensation philosophy of linking executive performance to the Company's financial performance.

Table of Contents

Under the 2014 bonus guidelines, separate bonus amounts were calculated based on actual EBITDA and ROGNA levels, as compared to target EBITDA and ROGNA levels approved by the Committee, provided that a minimum ROGNA level was required to be obtained before any bonus was paid. The Committee believes that a minimum ROGNA level underscores the importance of the NEO's continued management of Company assets. The bonus ranges based on EBITDA were given a weight of 60% and the bonus ranges based on ROGNA were given a weight of 40% in determining the recommended bonus amount. The Committee believes the relative weight was appropriate to motivate management to achieve EBITDA at or above the budgeted level, while at the same time managing Company assets. Bonus amounts are calculated as a percentage of base salary and increase incrementally based on increases in EBITDA and ROGNA as compared to the target EBITDA and ROGNA levels.

Under the 2014 guidelines, Mr. Engquist had a target bonus of 75% of his base salary and a maximum bonus potential of 150% of his base salary, while Ms. Magee and Mr. Barber had target bonuses of 50% of their base salaries and maximum bonus potentials of 100% of their respective base salaries. The Committee felt that these bonus ranges were set at a level that appropriately reflected the Company's budgeted targets, the economic landscape and the Company's excellent performance during 2014. The Company does not publicly disclose specific internal income or operation objectives due to the competitive nature of its industry. In addition, specific targets under the management incentive guidelines are not disclosed because (i) the Committee has discretion with respect to the guidelines and (ii) such disclosure would signal where the Company places its strategic focus and would impair the Company's ability to gain a competitive advantage from its business plan. In addition, disclosing short-term compensation objectives would contradict the Company's long-term financial focus and could result in confusion for investors.

As described above, based upon the Company's 2014 performance, the Committee determined to pay discretionary cash bonuses to each of Messrs. Engquist and Barber and Ms. Magee in March 2015. The Committee approved a 2014 discretionary cash bonus of \$925,167 (or 116.7% of his base salary) for Mr. Engquist. The Company approved 2014 discretionary cash bonuses of \$304,367 and \$355,833 for Ms. Magee and Mr. Barber, respectively (or approximately 76.7% and 83.3%, respectively, of their base salaries). The Committee determined that the bonus amounts for Messrs. Engquist and Barber and Ms. Magee were appropriate in light of the Company's overall performance and in consideration of each executive's contributions to this performance. The Committee determined to pay \$793,000, \$320,250 and \$258,050, respectively of each of the CEO's, COO's and CFO's respective 2014 discretionary bonuses in cash in March 2015 and to defer the remainder of such cash bonus amount to be paid in equal installments in 2016 and 2017. Such deferred amounts shall accrue interest at the Prime rate then in effect, which is reset annually each January 1st to the rate then in effect.

Long-Term Incentives

In General. The Committee believes that NEOs should be compensated in part with equity interests in the Company in order to more closely align the long-term interests of stockholders and executives. The Committee also believes that equity awards are an important means of attracting and retaining qualified executives. Accordingly, the Committee provides long-term incentives by means of periodic grants of stock awards under the Incentive Plan. Stock awards available under the Incentive Plan include restricted stock, stock options and deferred stock.

The Committee determines the size of long-term incentive awards in its discretion.

All grants of equity compensation to NEOs are made by the Committee. Whether grants are made and the type and size of any grants are based upon Company performance, performance of the executive management team, position held, years of service, level of experience and potential of future contribution to the Company's success, recommendations of the CEO and the other factors discussed above. The Committee may also consider

long-term incentive grants previously awarded to the NEOs, long-term incentive grants given to other executive officers throughout the Company's history and grant practices at comparable companies.

2014 Equity Grants. On May 15, 2014, the Committee approved grants of restricted stock as follows, effective August 1, 2014: Mr. Engquist — 13,209 shares; Ms. Magee — 5,284 shares; and Mr. Barber — 7,265 shares. When awarding grants to the NEOs, the Committee considered a variety of factors, as discussed above, including the performance of the executive management team and management's leadership during the fluctuating macroeconomic conditions in our industry and market, which leadership substantially strengthened the Company's liquidity and balance sheet.

The Committee determined the approximate amount of the long-term incentive awards and awarded shares of restricted stock that had a fair market value on the date of grant that approximated such amount. The approximate grant date fair market value of the restricted stock award granted to Mr. Engquist was \$499,961, or approximately 63.0% of his base salary. The approximate fair market value of the restricted stock award granted to Ms. Magee was \$199,999, or approximately 50.4% of her base salary. The fair market value of the restricted stock award granted to Mr. Barber was \$274,980, or approximately 64.4% of his base salary.

Each of these awards vests in equal annual installments on the first, second and third anniversaries of the date of grant, conditioned on the executive's continued employment with the Company on the applicable vesting date. The Committee believes that this vesting schedule serves to motivate and retain the recipients, providing continuing benefits to the Company beyond those achieved in the year of grant. Each of the awards granted to Messrs. Engquist and Barber and Ms. Magee will also vest in full upon a change in control of the Company, as described in more detail below under the heading "— Potential Payments Upon Termination or Change in Control." Under the terms of these awards, in the event that an NEO's employment with the Company is terminated for any reason, such NEO will forfeit all of his or her unvested shares of restricted stock. In addition, in the event that an NEO's employment with the Company is terminated for cause, such NEO will forfeit all of his or her vested and unvested shares of restricted stock.

The Company has no formal program, plan or practice to time option grants to its executives in coordination with the release of material non-public information.

Stock Ownership/Retention Guidelines. The Company does not require its NEOs to maintain a minimum ownership interest in the Company.

Other Compensation and Perquisite Benefits

In addition to the principal categories of compensation described above, the NEOs are eligible to participate in the Company's broad-based health and welfare benefit plans on the same terms and conditions as are available to all employees generally, including medical, dental, disability and life insurance. The Company also sponsors a 401(k) plan. The 401(k) plan is a tax-qualified retirement savings plan pursuant to which all employees, including the NEOs, are able to contribute to the 401(k) plan up to the limit prescribed by the Internal Revenue Code of 1986, as amended (the "Code"), on a before-tax basis. The Company makes a matching contribution of 50% of the first 4% of pay contributed by the employee to the 401(k) plan. Annual salary subject to the Company match is capped at a maximum amount prescribed by the IRS each year. All contributions made by a participant vest immediately and matching contributions made by the Company vest over the employee's first five years of eligible service, in annual increments of 25% beginning after the employee has completed two years of eligible service. These benefits are not tied to any individual or corporate performance objectives and are intended to be part of an overall competitive compensation program.

The NEOs are not generally entitled to benefits that are not otherwise available to all of our employees. In this regard it should be noted that the Company does not provide pension arrangements (other than the

[Table of Contents](#)

401(k) Plan), post-retirement health coverage or similar benefits for its executives. However, the NEOs are entitled to long-term disability benefits, annual automobile allowances and other automobile benefits, such as fuel costs, which are noted in the “All Other Compensation” column in the Summary Compensation Table shown below.

Mr. Engquist does not receive an annual automobile allowance. Instead, Mr. Engquist is given use of an automobile which the Company purchased in 2010. The Company also provides Mr. Engquist with certain automobile benefits, such as fuel and maintenance costs, in connection with his use of this automobile. The Company and the Committee believe that the benefits described above are consistent with the goal of attracting and retaining superior executive talent. No NEO is entitled to be “grossed up” by the Company in connection with taxes incurred by the NEO in connection with the receipt of these perquisites.

Tax and Accounting Implications

Deductibility of Certain Compensation

Section 162(m) of the Code limits the deductions that may be claimed by a public company for compensation paid to certain individuals to \$1,000,000 except to the extent that any excess compensation is “performance-based compensation.” None of the compensation paid to the NEOs for 2014 was considered performance-based as defined by Section 162(m) and therefore, all such compensation is subject to the \$1,000,000 limit. The Committee intends to maintain flexibility to pay compensation that is not entirely deductible when the best interests of the Company make that advisable. In approving the amount and form of compensation for the NEOs, the Committee will continue to consider all elements of the cost to the Company of providing such compensation, including the potential impact of Section 162(m).

Section 409A

Section 409A of the Code imposes a 20% additional tax and interest on the recipient of “nonqualified deferred compensation” that fails to satisfy the requirements of the statute with respect to the timing of deferral elections, the timing of payments and certain other matters. Accordingly, as a general matter, the Company attempts to structure its compensation and benefit plans and arrangements for all of its employees, including the NEOs, so that they are either exempt from, or satisfy the requirements of, Section 409A. No NEO is entitled to be “grossed up” by the Company for any additional tax or interest imposed on the executive by Section 409A as a result of any compensation that is not exempt from and does not satisfy the requirements of Section 409A.

Section 280G

Section 280G of the Code imposes certain penalties on “excess parachute payments” made to certain executives and high-level employees in connection with a change in control. Stock options or restricted stock awards that are accelerated upon the occurrence of a change in control of the Company may give rise, in whole or in part, to “excess parachute payments” within the meaning of Section 280G. The Company is not permitted to take a deduction for any “excess parachute payments” and Section 4999 of the Code imposes a 20% excise tax on the recipients of such payments. As described in more detail below under the heading “— Potential Payments Upon Termination or Change in Control,” awards under the Incentive Plan to the NEOs will vest upon a change in control of the Company and, therefore, may give rise, in whole or in part, to an “excess parachute payment.” No NEO is entitled to be “grossed up” by the Company for any excise tax incurred by the NEO as a result of an “excess parachute payment.”

Accounting Implications

The Committee considers the potential accounting impact in connection with equity compensation matters; however, these considerations do not significantly affect decisions on grants of equity compensation.

Compensation Risk Assessment

The Committee has determined that there are no risks arising from the Company's compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on its business or operations.

Compensation Committee Interlocks and Insider Participation

None of the Company's executives serve as a member of the board of directors or compensation committee of an entity that has an executive officer serving as a member of the Company's Compensation Committee. None of the Company's executives serve as a member of the compensation committee of an entity that has an executive officer serving as a member of the Company's Board of Directors. All of the members of the Compensation Committee served on the Compensation Committee during all of the last completed fiscal year of the Company. No member of the Compensation Committee is a former or current executive officer or employee of the Company or any of its subsidiaries.

2014 NONQUALIFIED DEFERRED COMPENSATION TABLE

The table below sets forth, for each of our NEOs, information regarding his or her deferred compensation in 2014.

| Name | Executive Contributions | Aggregate Earnings | Aggregate | Aggregate Balance at Last Fiscal Year-End (\$) |
|-------------------|-------------------------|---------------------|-------------------------------|--|
| | in Last Fiscal Year | in Last Fiscal Year | Withdrawals/ Distributions | |
| | (\$) | (\$) | (\$) | |
| John M. Engquist | 132,167 | — | — | 132,167 |
| Leslie S. Magee | 46,317 | — | — | 46,317 |
| Bradley W. Barber | 35,583 | — | — | 35,583 |

Narrative Description Regarding Nonqualified Deferred Compensation

The amounts in the table above represent the portion of each NEO's bonus that was deferred under our bonus plan (including interest earned thereon). Deferred amounts with respect to the bonus for 2014 will be paid equal amounts in the first quarters of 2016 and 2017, together with accrued interest on the unpaid balances at the prime rate in effect on January 1st of the then-current year, conditioned on the executive's continued employment with the Company on the payment date. The deferred portion of the bonus earns interest at the Prime interest rate in effect at January 1st of each year in which such amount is deferred, and interest earned is paid at the time of the respective payments of the deferred amounts.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Payments Upon Termination of Employment. None of our NEOs are, or were at any time during the 2014 fiscal year, party to an employment agreement, severance agreement or any other type of agreement which provides benefits upon a termination of employment.

Payments Upon Change in Control. Each restricted stock award granted under the Incentive Plan to our NEOs provides for immediate vesting of all unvested shares of restricted stock in the event of a "change in control." If a "change in control" occurred on December 31, 2014, Mr. Engquist, Ms. Magee and Mr. Barber would have vested in 29,825, 12,968 and 16,060 shares of restricted stock, respectively. Based on the closing price of our common stock on December 31, 2014 (\$28.09), the value of such shares held by Mr. Engquist, Ms. Magee and Mr. Barber would have been \$837,784, \$364,271, and \$451,125, respectively.

Generally, a "change in control" is defined under the Incentive Plan as:

- The acquisition of 35% or more of the Company's voting securities;
- A change in the composition of a majority of the Board of Directors;
- A merger or consolidation where the Company's stockholders immediately before the merger or consolidation own 70% or less of the voting power of the surviving corporation immediately after the merger or consolidation;
- A complete liquidation or dissolution of the Company, or a sale of substantially all of its assets; or
- A share exchange in which the stockholders of the Company immediately before such exchange own 70% or less of the voting power of the corporation resulting from such exchange.

ITEM 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION**Background**

Pursuant to Section 14A of the Exchange Act, we are providing Company stockholders with the opportunity to vote on a non-binding, advisory resolution to approve the compensation of our NEOs, which is described in the section titled “Compensation Discussion and Analysis” and in the related compensation tables and narrative discussion in this Proxy Statement. This vote is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our NEOs, as described in this Proxy Statement in accordance with the rules of the SEC. As described more fully in this Proxy Statement, including in the Compensation Discussion and Analysis and the related tables and narrative discussion, our compensation program is designed to provide incentives to our executives for the Company’s achievement of financial objectives. In addition, our program is designed to align the interests of executives with the interests of our stockholders, provide long-term incentives and set compensation at levels sufficiently competitive to attract and retain high quality executives and to motivate them to contribute to our success.

Vote Required; Board Recommendation

If a quorum is present, the non-binding advisory approval of the executive compensation described in this Proxy Statement requires the affirmative vote of a majority of shares present, in person or by Proxy and entitled to vote on the matter at the Annual Meeting. Shares voted in person or represented by Proxy which are not voted for approval of our executive compensation (by voting no or abstaining) will have the effect of voting against this proposal. Broker non-votes will not count toward the determination of whether this proposal is approved and will have no impact on the vote. In the absence of instructions to the contrary, shares of Common Stock represented by properly executed Proxies will be voted for approval of our executive compensation, as disclosed in this Proxy Statement. Because this stockholder vote is advisory, it will not be binding on the Company or the Board of Directors. Although the vote is non-binding, the Compensation Committee and Board expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results. The Company’s current policy is to hold such an advisory vote every year.

Based on the foregoing, the Board is requesting that stockholders vote on the following resolution:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

The Board of Directors recommends that stockholders vote to approve the compensation of the Company's Named Executive Officers by voting FOR this resolution.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Registration Rights Agreement

In connection with certain transactions involving the Company and its predecessors (the "Prior Transactions"), a predecessor company ("H&E Holdings") entered into a registration rights agreement with affiliates of Bruckmann, Rosser, Sherrill & Co., Inc. ("BRS"), certain members of management and certain other entities. In connection with our initial public offering in February 2006, the parties amended and restated the registration rights agreement to provide that the registration rights agreement thereafter applies to our common stock held by the parties. The restated agreement provides that the registration rights that previously applied to units of H&E Holdings thereafter apply to the common stock held by the parties thereto.

Investor Rights Agreement

In connection with the Prior Transactions, H&E Holdings entered into an investor rights agreement with affiliates of BRS, Credit Suisse First Boston Corporation and other members of H&E Holdings (the "Investors"). Certain provisions of the investor rights agreement, including the provisions concerning tag-along rights, consent to a sale of H&E Holdings, and the grant of preemptive rights terminated upon the consummation of our initial public offering in February 2006. In connection with our initial public offering in February 2006, the parties amended and restated the investor rights agreement to also terminate the non-voting observer rights of one of the holders of our senior subordinated notes and to provide that the investor rights agreement thereafter applies to our common stock held by the parties. Pursuant to the terms of the restated investor rights agreement, subject to certain conditions, Investors holding 33% or more of the equity interests issued to the Investors on the date of the investor rights agreement (or successor securities) have the right on any two occasions to require us to register all or part of such equity interests under the Securities Act of 1933, as amended (the "Securities Act"), at our expense. In addition, the Investors are entitled to request the inclusion of any equity interests subject to the investor rights agreement in any registration statement at our expense whenever we propose to register any of our equity interests under the Securities Act. In connection with all such registrations, we agreed to indemnify the Investors against certain liabilities, including liabilities under the Securities Act.

Related Party Transactions

The Company maintains a policy that the Audit Committee review transactions in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. The Audit Committee is responsible for reviewing and, if appropriate, approving or ratifying any such related party transaction. This policy has been communicated orally by the Board.

In determining whether to approve, disapprove or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, (1) whether the transaction is on terms no less favorable to the Company than terms that would otherwise be generally available to the Company if the transaction was entered into under the same or similar circumstances with a party unaffiliated with the Company and (2) the extent of the interest of the related party in the transaction.

Below are the related party transactions which occurred or were in effect during the year ended December 31, 2014. All such related party transactions, if entered into after the Company's initial public offering in February 2006, have been approved or ratified by the Company's Audit Committee or, if pursuant to contractual arrangements entered into prior to the Company's initial public offering in February 2006, have been reviewed annual by the Audit Committee.
