VOTING PROCEDURES

Your vote is very important.

Your shares can only be voted at the Annual Meeting if you are present in person or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to ensure that your shares will be represented. Most stockholders have a choice of voting by means of the Internet (www.continentalstock.com), by using a toll-free telephone number (1-866-894-0537) or by completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other holder of record to see which options are available to you. Please be aware that if you vote over the Internet, you may incur costs such as telephone and internet access charges for which you will be responsible. **Also note that proxies submitted by telephone or the Internet must be received by 7:00 p.m., EDT, on June 4, 2007.**

You may revoke this proxy at any time before it is voted by written notice to the corporate Secretary of the Company, by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Unless properly revoked, properly executed and delivered proxies that are received before the Annual Meeting's adjournment or any adjournment thereof will be voted in accordance with the directions provided or, if no directions are provided, those shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than three, to whom you wish to give your proxy.

If you want to vote in person at the Annual Meeting and you hold shares of Company common stock in street name, you must obtain a proxy card from your broker and bring that proxy card to the Annual Meeting, together with a copy of a brokerage statement reflecting your stock ownership as of the record date.

Who can vote?

Only stockholders of record as of the close of business on April 24, 2007 are entitled to vote. On that day, approximately 38,192,094 shares of common stock were outstanding and of these shares, 38,176,339 shares were eligible to vote, and there were 47 record holders. Each share is entitled to one vote on each matter presented at the Annual Meeting. A list of stockholders eligible to vote will be available at the offices of H&E Equipment Services, Inc., 11100 Mead Road, Suite 200, Baton Rouge, Louisiana 70816 beginning May 25, 2007. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

How does the Board recommend I vote?

The Board recommends a vote FOR each Board nominee and FOR ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm.

What shares are included in the proxy card?

Each proxy card you receive represents all the shares of common stock registered to you in that particular account. You may receive more than one proxy card if you hold shares that are either registered differently or in more than one account. Each share of common stock that you own entitles you to one vote.

How do I vote by proxy?

Most stockholders have three ways to vote by proxy: by telephone, via the Internet or by returning the proxy card. To vote by telephone or via the Internet, follow the instructions set forth on each proxy card you receive. To vote by mail, sign and date each proxy card you receive, mark the boxes indicating how you wish to vote, and return the proxy card in the postage-paid envelope provided. Do not return the proxy card if you vote via the Internet or by telephone.

How are votes counted?

The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Annual Meeting in person or by proxy. Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. When nominees, such as banks and brokers, holding shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners by the tenth day before the Annual Meeting, the nominees may vote those shares only on matters deemed routine.

Because directors are elected by a plurality of the votes cast, abstentions will have no effect on the election of directors (Item 1).

Who will count the vote?

The Company's Transfer Agent and Registrar, Continental Stock Transfer & Trust Company, will tally the vote.

Who is soliciting this proxy?

Solicitation of proxies is made on behalf of the Board of Directors of the Company. The Company will pay the cost of preparing, assembling and mailing the notice of Annual Meeting, proxy statement and proxy card. In addition to the use of mail, proxies may be solicited by directors, officers and regular employees of the Company, without additional compensation, in person or by telephone or other electronic means. The Company will reimburse brokerage houses and other nominees for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of the Company's common stock. The Company will pay no additional compensation to our officers, directors or employees for these activities.

What if I can't attend the meeting?

If you are unable to attend the meeting in person and you intend to vote, you must vote your shares by proxy, via the Internet or by telephone by the applicable deadline.

SPECIAL NOTE REGARDING THE COMPANY

In connection with our initial public offering of our common stock in February 2006, we converted H&E Equipment Services L.L.C. ("H&E LLC"), a Louisiana limited liability company and the wholly-owned operating subsidiary of H&E Holding L.L.C. ("H&E Holdings") into H&E Equipment Services, Inc., a Delaware corporation. Prior to our initial public offering, our business was conducted through H&E LLC. In order to have an operating Delaware corporation as the issuer for our initial public offering, H&E Equipment Services, Inc. was formed as a Delaware corporation and a wholly-owned subsidiary of H&E Holdings, and immediately prior to the closing of the initial public offering on February 3, 2006, H&E LLC and H&E Holdings merged with and into us (H&E Equipment Services, Inc.), with us surviving the reincorporation merger as the operating company. In these transactions, holders of preferred limited liability company interests and holders of common limited liability company interests in H&E Holdings received shares of our common stock. Effective February 3, 2006, H&E LLC and H&E Holdings no longer existed. Before February 3, 2006, H&E Equipment Services, Inc. had no operations.

The Board has determined that four of the Company's seven directors are "independent" as defined in the applicable NASDAQ listing standards, including that each such director is free of any relationship that would interfere with his individual exercise of independent judgment. The following directors were determined to be independent: Keith E. Alessi, Paul N. Arnold, Lawrence C. Karlson and John T. Sawyer.

SUBMISSION OF STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Under the rules of the SEC, stockholders wishing to have a proposal included in the Company's proxy statement for the 2008 Annual Meeting of Stockholders must submit the proposal so that the corporate Secretary of the Company receives it no later than January 2, 2008. The SEC rules set forth standards as to what stockholder proposals are required to be included in a proxy statement. Under the Company's Amended and Restated Bylaws, certain procedures must be followed for a stockholder to nominate persons as directors or to introduce a proposal at an annual meeting. A stockholder wishing to make a nomination for election to the Board of Directors or to have a proposal presented at an annual meeting must submit written notice of such nomination or proposal so that the corporate Secretary of the Company receives it not less than that date which is 120 days prior to the one year anniversary of the date the Company's proxy statement was released to stockholders in connection with the preceding year's annual meeting; provided, however, that in the event that the Company did not hold an annual meeting the preceding year or if the date of the annual meeting is changed by more than 30 days from the date of the preceding year's annual meeting, notice by the stockholder must be delivered within a reasonable time before the Company prints and mails its proxy materials in connection with the annual meeting. The Company's Amended and Restated Bylaws set forth certain informational requirements for stockholders' nominations of directors and proposals.

ELECTION OF DIRECTORS (ITEM 1 ON PROXY CARD)

The Company's Amended and Restated Bylaws provide that the Company's business shall be managed by a Board of Directors ranging from five to nine members. The number of directors may be increased or decreased from time to time by resolution of the Board of Directors. The Company's Board of Directors is currently comprised of seven members. Directors shall be elected at the annual meeting of the stockholders and each director elected shall hold office until a successor is duly elected and qualified or until his or her death, resignation or removal.

The Corporate Governance and Nominating Committee identifies and recommends director candidates to serve on the Board. Director candidates are then nominated for election by the Board of Directors. Stockholders are also entitled to nominate director candidates for election in accordance with the procedures set forth in the Company's Amended and Restated Bylaws.

At the Annual Meeting, seven directors are to be elected. All of the director nominees are currently directors of the Company and have been recommended for election by the Corporate Governance and Nominating Committee. All nominees have consented to being named as nominees for directors of the Company and have agreed to serve if elected. If some or all of the nominees should become unavailable to serve at the time of the Annual Meeting, the shares represented by proxy will be voted for any remaining nominee(s) and any substitute nominee(s) designated by the Board of Directors. In no event, however, will the shares represented by proxy be voted for more than seven nominees. Director elections are determined by a plurality of the votes cast.

Set forth below is information regarding each nominee for director.

AUDIT COMMITTEE REPORT

Since it began operating in 2006, the Audit Committee assists the Board in meeting its oversight responsibility to stockholders, potential stockholders, the investment community and others. Management of the Company is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company therein. The Company's independent registered public accountant is responsible for auditing those financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America, and for reviewing the Company's unaudited interim financial statements. The Audit Committee's primary responsibility is to monitor and review these processes on behalf of the Board and report the results of its activities to the Board. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The Committee will however take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The Audit Committee is directly responsible for the selection of the independent registered public accountant to be retained to audit the Company's financial statements and internal control over financial reporting, and once retained, the independent registered public accountant reports directly to the Audit Committee. The independent auditors are ultimately accountable to the Committee and the Board. The Audit Committee consults with and reviews recommendations made by the independent registered public accountant with respect to financial statements, financial records and financial controls of the Company and makes recommendations to the Board of Directors as it deems appropriate from time to time. The Audit Committee is responsible for approving both audit and non-audit services to be provided by the independent registered public accountant. The Audit Committee is currently composed of three directors, all three of whom the Board of Directors has determined to be independent as that term is defined by applicable NASDAQ listing standards and SEC rules. In accordance with applicable NASDAQ listing standards, the Company's Audit Committee was required to consist solely of independent directors by February 2007 and the Company has complied with those standards. The Board has determined, in accordance with applicable NASDAQ standards that Mr. Alessi is an audit committee financial expert, as defined in Item 407(d)(5) of Regulation S-K. The Audit Committee operates under a written charter adopted by the Board of Directors in January 2006, which is available on the Company's website at www.he-equipment.com.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls, and discusses these matters with the Company's independent registered public accountant. The Audit Committee also discusses with senior management the Company's disclosure controls and procedures. The Audit Committee's oversight of the independent auditors includes resolution of disagreements between management and the auditors regarding financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the Company's earnings releases, Quarterly Reports on Form 10-Q for the periods ended March 31, 2006, June 30, 2006 and September 30, 2006, Annual Report on Form 10-K for the year ended December 31, 2006 and the audited consolidated financial statements in the 2006 Annual Report on Form 10-K with management and the Company's independent registered public accountant, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee reviewed with the independent registered public accountant, who is responsible for expressing an opinion on the conformity of those financial statements with the standards of the Public Company Accounting Oversight Board ("PCAOB"), its judgment as to the quality, not just the acceptability, of the Company's accounting principles. The Audit Committee discussed with the Company's independent registered public accountant the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, SEC Rule 2-07 and such other matters as are required to be discussed under auditing standards generally accepted in the United States of America. The Audit Committee received the written disclosures and the letter from the Company's independent registered public accountant required by Independence Standards Board Standard No. 1. In addition, the Audit Committee discussed with the independent registered public accountant its independence, including the compatibility of non-audit services with the independent registered public accountant's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its 2007 audit. The Audit Committee met with the independent registered public accountant,

with and without management present, to discuss the fiscal year 2006 results of its examination, its evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the SEC.

The Audit Committee has selected the firm of BDO Seidman, LLP as independent registered public accountant to audit and report upon the Company's consolidated financial statements and internal control over financial reporting. In making this selection, the Audit Committee has considered whether BDO Seidman, LLP's provision of services other than audit services is compatible with maintaining their independence.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM
(ITEM 2 ON PROXY CARD)**

The Audit Committee has selected BDO Seidman, LLP, as the independent registered public accounting firm to audit the Company's consolidated financial statements for the fiscal year ending December 31, 2007 and internal control over financial reporting. Although action by the stockholders on this matter is not required, the Audit Committee and the Board of Directors believe it is appropriate to seek stockholder ratification of this selection in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. Ratification requires the affirmative vote of a majority of eligible shares present at the Annual Meeting, in person or by proxy, and voting thereon. If this appointment is not ratified by the stockholders, the Audit Committee may reconsider its selection. One or more representatives of BDO Seidman, LLP are expected to attend the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The Board of Directors recommends a vote FOR ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm.

- (3) Fees were for tax compliance and consulting services rendered to the Company.

The Audit Committee believes that BDO Seidman, LLP's provision of non-audit services is compatible with maintaining such firm's independence.

Pre-approval of services

All audit and permissible non-audit services provided by the Company's independent registered public accounting firm, BDO Seidman, LLP, require pre-approval by the Audit Committee in accordance with the Audit Committee Charter. The Company's Audit Committee approves the accountant's engagement prior to the accountant rendering any non-audit services. The Audit Committee charter is reviewed on an annual basis by the Audit Committee and is subject to amendment from time to time. The Audit Committee pre-approved 100% of the total of the 2006 fees.

COMPENSATION COMMITTEE REPORT

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis ("CD&A") provides an overview of the Company's executive compensation program together with a description of the material factors underlying the decisions which resulted in the compensation provided to the Company's Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO") and certain other executive officers (collectively, the named executive officers ("NEOs")) for 2006 (as presented in the tables which follow this CD&A).

Compensation Committee

The Compensation Committee (the "Committee") of the Board of Directors is composed of three non-employee directors, all of whom are independent directors under the listing standards of The Nasdaq Stock Market LLC and the Securities and Exchange Commission rules. The Committee has responsibility for determining and implementing the Company's philosophy with respect to executive compensation. Accordingly, the Committee has overall responsibility for approving and evaluating the various components of the Company's executive compensation program. The Committee meets at least twice per year (and more often as necessary) to discuss and review the compensation of the NEOs. The Committee annually reviews and approves the compensation of the CEO. The Committee also reviews and approves the compensation of the other NEOs after considering the recommendations of management. In establishing and reviewing compensation for the NEOs, the Committee considers the financial results of the Company and evaluates the compensation paid to NEOs against market data for comparable equipment companies. Currently, the Committee does not engage a compensation consultant.

The Committee operates under a written charter adopted by the Board of Directors of the Company on January 23, 2006. A copy of this charter is available on our website under the Investors section at www.he-equipment.com.

Executive Compensation Philosophy and Objectives

The Committee's goals in structuring the Company's compensation program for its NEOs are to:

- provide incentives to achieve Company financial objectives;
- provide long-term incentives for the executive officers; and
- set compensation levels sufficiently competitive to attract and retain high quality executives and to motivate them to contribute to the Company's success.

The Committee has determined that to achieve these objectives, the Company's executive compensation program should reward both individual and Company short-term and long-term performance. To this end, the Committee believes that executive compensation packages provided by the Company to its executive officers, including its NEOs, should include both cash and stock-based compensation. However, the Committee does not rely on any policy or formula in determining the appropriate mix of cash and equity compensation.

Setting Executive Compensation

In making compensation decisions, the Committee considers the recommendations of management. The Committee also considers corporate and executive performance, an executive's level of experience and responsibility, an executive's current compensation level and historical compensation practices. In addition, the Committee looks at market data for comparable equipment companies when considering bonus levels. In determining bonuses and base salary, the Committee reviewed compensation data for the following equipment rental companies: United Rental, Finning, Toromont, NationsRent, Neff, NES, and Ahern (these companies are referred to elsewhere in this CD&A as the "peer group companies"). The peer group companies were not considered in making equity compensation decisions.

Committee Processes; Role of Executives in Setting Compensation

A complete description of the Committee's processes and the role of executives in setting compensation can be found earlier in this proxy in the section entitled "Corporate Governance — Committees of the Board of Directors — Compensation Committee."

2006 Executive Compensation Components

The Company's executive compensation program is composed of three principal components:

- base salary;
- cash bonuses; and
- long-term incentives, consisting of equity awards.

The Company was also party to an employment contract with the CEO, Mr. Engquist, during 2006. This contract expired on December 31, 2006. In addition to the compensation components listed above, the contract provided for post-employment severance payments and benefits in the event of termination under certain circumstances. None of the other NEOs currently have employment contracts or had employment contracts in effect during 2006.

Base Salaries

In General. The Company provides NEOs with base salaries to compensate them for services rendered during the fiscal year. In determining base salaries, the Committee reviews base salaries paid at comparable equipment companies and considers other factors, including:

- historical information regarding compensation previously paid to NEOs;
- the individual's experience and level of responsibility; and
- the performance of the Company and the executive.

In the absence of a promotion or special circumstances, the Committee reviews executive salaries once annually.

Consideration of 2006 Base Salaries. Based on the above factors, the Committee determined current base salary levels were sufficient for the NEOs for 2006.

Annual Bonuses

In General. Annual cash bonuses are included as part of the executive compensation program because the Committee believes that a significant portion of each NEO's compensation should be contingent on the annual performance of the Company, as well as the individual contribution of the NEO. Accordingly, each NEO is eligible for an annual bonus under the Company's management incentive guidelines, payable at the discretion of the Committee. The guidelines were determined by the Committee in consultation with the CEO. The guidelines are based on the Company's achievement of financial targets and the amount of compensation paid to executive officers in similar positions at the peer group companies. The Committee reviews and approves these guidelines after discussions among themselves and with the CEO. Once the guidelines are approved, the guidelines are to act as a guide to the Committee and CEO in determining bonuses. The Committee and CEO retain discretion and actual bonus amounts may differ from those provided under the guidelines if the Committee or the CEO determines that adjustment is appropriate.

Consideration of 2006 Annual Bonus. For the fiscal year 2006, the Committee approved bonus guidelines for each of the NEOs except Mr. Fox based on the Company's achievement of specified levels of earnings per share (EPS) and return on gross net assets (ROGNA). For the Committee's purposes, ROGNA is defined as net income (loss) from continuing operations before interest, income taxes, depreciation and amortization (or EBITDA) divided by the sum of the average of gross rental equipment, gross property and gross equipment and net working capital. These financial objectives had previously been determined by the Committee to be the most appropriate measures of Company performance because they take into account earnings and return on assets. These financial objectives are also consistent with the Compensation Committee's compensation philosophy of linking executive performance to the Company's financial performance.

Under the guidelines, separate bonus amounts were calculated based on EPS levels and ROGNA levels, as compared to target EPS and ROGNA levels approved by the Committee. The bonus ranges based on EPS were given a weighting of 70% and the bonus ranges based on ROGNA were given a weighting of 30% in determining the recommended bonus amount. Bonuses are calculated as a percentage of base salary and increase incrementally based on increases in EPS and ROGNA as compared to the target EPS and ROGNA levels. The target EPS and ROGNA levels were determined based on the Company's 2005 performance, the Company's forecast for 2006 and economic conditions in the Company's industry. The target amounts were set at a level designed to recognize the Company's achievement of its financial objectives as well as performance above and below expectations. The Committee also authorized the CEO to recommend adjustments to the bonus amounts determined under these guidelines as he considered appropriate based on the other factors described above.

For the 2006 fiscal year, Company's EPS and ROGNA exceeded the targets set forth in the guidelines for Mr. Engquist, Ms. Magee, Mr. Barber and Mr. Jones. In accordance with the guidelines, the Committee approved a bonus of \$783,750 for Mr. Engquist, or approximately 157% of his base salary. The Committee determined that this amount was appropriate in light of the fact that the Company's performance far surpassed the planned financial objectives, and Mr. Engquist's contributions to this performance.

Table of Contents

In addition, the Committee approved bonuses of \$250,800, \$282,150 and \$175,000 for Ms. Magee, Mr. Barber and Mr. Jones, respectively, or approximately 125%, 125% and 95% of their respective base salaries. The Committee determined that these amounts were appropriate in light of the fact that the Company's performance far surpassed the planned financial objectives, and consideration of each executive's contributions to this performance.

Bonuses to Messrs. Engquist, Barber and Jones and Ms. Magee for 2006 were paid partially in cash and partially deferred. The deferred portion of each bonus was 36% and the immediately payable portion was 64%. The deferred portion will be paid in two equal annual installments over the next two years. The decision to defer a portion of these bonuses was made in accordance with the above-described guidelines. The deferred portion of each bonus will accrue interest at 8.25%, the prime rate as of January 1, 2007.

Mr. Fox was not evaluated pursuant to the guidelines described above due to the historical practice of the Company to treat Mr. Fox consistent with other divisional managers for bonus purposes. However, the Committee approved a discretionary bonus to Mr. Fox for 2006 of \$100,000, or approximately 42.7% of his base salary. This bonus amount was based on the recommendation of the CEO and on the performance of the group within his area of responsibility. No portion of Mr. Fox's bonus was deferred.

Long-Term Incentives

In General. The Committee believes that NEOs should be compensated in part with equity interests in the Company in order to more closely align the long-term interests of stockholders and executives. The Committee also believes that equity awards are an important means of attracting and retaining qualified executives. Accordingly, the Committee provides long-term incentives by means of periodic grants of stock options and restricted stock awards under the Company's 2006 Stock-Based Incentive Compensation Plan (the "Incentive Plan"). Stock awards available under the Incentive Plan include restricted stock, stock options and deferred stock.

All grants of equity compensation to NEOs are made by the Committee. Whether grants are made and the type and size of any grants are based upon Company and individual performance, position held, years of service, level of experience and potential of future contribution to the Company's success. The Committee may also consider long-term incentive grants previously awarded to the NEOs, long-term incentive grants given to other executive officers throughout the Company's history and grant practices at comparable equipment companies.

2006 Equity Grants. On February 22, 2006, the Committee granted each of Ms. Magee, Mr. Barber and Mr. Jones \$1 million worth of restricted shares of the Company's common stock, based on the closing price of such stock on the grant date. This resulted in a grant of 40,650 restricted shares to each executive, based on a market price of \$24.60 per common share. These awards were granted to reward these executives for their contributions to the Company's pre-initial public offering performance and in particular their superior performance in implementing the Company's initial public offering in early 2006. In addition, prior to the granting of this award, none of these executives had significant holdings in the Company.

The restricted shares will vest, and the restrictions will cease to apply, in three equal tranches, on the first, second and third anniversaries of the grant date. The Committee believes that this vesting schedule serves to motivate and retain the recipients, providing continuing benefits to the Company beyond those achieved in the year of grant.

Stock Ownership/Retention Guidelines. The Company does not require its NEOs to maintain a minimum ownership interest in the Company.

Other Compensation and Perquisite Benefits

In addition to the principal categories of compensation described above, the Company provides its NEOs with coverage under its broad-based health and welfare benefits plans, including medical, dental, disability and life insurance. The Company also sponsors a 401(k) plan. The 401(k) plan is a tax-qualified retirement savings plan pursuant to which all employees, including the NEOs, are able to contribute to the 401(k) plan up to the limit prescribed by the Internal Revenue Code on a before-tax basis. The Company makes a matching contribution of 50% of the first 4% of pay contributed by the employee to the 401(k) plan. Annual salary subject to the Company

match is capped at a maximum amount prescribed by the IRS each year. All contributions made by a participant vest immediately and matching contributions by the Company vest over the employee's first five years of service with the Company's matching contributions vesting 25% on the second year and another 25% on each year thereafter.

The NEOs are not generally entitled to benefits that are not otherwise available to all of our employees. In this regard it should be noted that the Company does not provide pension arrangements (other than the 401(k) Plan), post-retirement health coverage or similar benefits for its executives. However, the NEOs are entitled to long-term disability benefits, annual automobile allowances and other automobile allowances such as fuel costs, which are noted in the "All Other Compensation" column in the Summary Compensation table shown on page 18. Mr. Engquist does not receive the automobile allowances. In 2004, the Company purchased a vehicle for Mr. Engquist's use and also provides other automobile benefits such as fuel and maintenance costs. The Company and the Committee believe that these benefits are consistent with the goal of attracting and retaining superior executive talent.

Tax and Accounting Implications

Deductibility of Certain Compensation

Section 162(m) of the Internal Revenue Code limits the deductions that may be claimed by a public company for compensation paid to certain individuals to \$1,000,000 except to the extent that any excess compensation is "performance-based compensation." None of the compensation paid to the NEOs for 2006 was considered performance-based under Section 162(m) and therefore all such compensation is subject to the \$1,000,000 limit. The Committee intends to maintain flexibility to pay compensation that is not entirely deductible when the best interests of the Company make that advisable. In approving the amount and form of compensation for the NEOs, the Committee will continue to consider all elements of cost to the Company of providing such compensation, including the potential impact of Section 162(m).

The Committee considers the accounting impact in connection with equity compensation matters, however, these considerations do not significantly affect decisions on grants of equity compensation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company's Board of Directors made all decisions concerning executive compensation prior to the creation of the Compensation Committee and the consummation of the Company's initial public offering. None of the Company's executives serve as a member of the board of directors or compensation committee of an entity that has an executive officer serving as a member of the Company's Board of Directors. Messrs. Alessi, Arnold and Karlson currently serve on the Compensation Committee. No member of the Compensation Committee is a former or current executive officer or employee of the Company or any of its subsidiaries.

The assumptions uses were a dividend yield of 0%; a risk-free interest rate of 5.0%; an expected life of six years; and a stock price volatility of 35.0%.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Reorganization Transactions

We were formed as a Delaware corporation in September 2005 as a wholly-owned subsidiary of H&E Holdings. As of December 31, 2005 and to the date of our initial public offering, the business was still being conducted through H&E LLC, the operating subsidiary of H&E Holdings. H&E LLC was a Louisiana limited liability company and H&E Holdings was a Delaware limited liability company. In order to have an operating Delaware corporation as the issuer for our initial public offering, immediately prior to the closing of our initial public offering H&E LLC and H&E Holdings were merged with and into us (H&E Equipment Services, Inc.), with us surviving the reincorporation merger as the operating company. Immediately prior to the consummation of our initial public offering, Bruckmann, Rosser, Sherrill, and Co., L.P. and Bruckmann, Rosser, Sherrill & Co. II, L.P. (collectively, "BRS") and their affiliates beneficially owned approximately 58.8% of our common stock and our executives, directors and principal stockholders beneficially owned approximately 93.6% of our common stock. Immediately following the consummation of our initial public offering, BRS and its affiliates beneficially owned approximately 41.2% of our common stock and our executives, directors and principal stockholders beneficially owned approximately 65.5% of our common stock. Investors purchased shares of our common stock in our initial public offering.

In the merger with H&E Holdings, holders of H&E Holdings received an aggregate of 25,492,019 shares of our common stock.

In the merger with H&E LLC, we became the obligor under the indentures that existed at the time governing the senior secured notes and senior subordinated notes and the senior secured credit facility agreement.

Merger Consideration

As discussed above, immediately prior to the completion of our initial public offering, H&E Holdings and H&E LLC merged with and into us, with us as the surviving corporation and operating company. The table below sets forth the consideration received by certain of our affiliates that were holders of H&E Holdings as a result of the merger. The table below sets forth the beneficial ownership of each affiliate as described in more detail in Security Ownership of Certain Beneficial Owners and Directors and Officers.

Eagle Acquisition

The Company completed, effective as of February 28, 2006, the acquisition of all of the capital stock of Eagle High Reach Equipment, Inc. and all of the equity interests of its subsidiary, Eagle High Reach Equipment, LLC (together, “Eagle”), for a formula-based purchase price of approximately \$59.9 million, subject to post-closing adjustment, plus assumed indebtedness of approximately \$2.0 million.

Gary W. Bagley, our Chairman, served as the Chief Executive Officer and a manager of Eagle High Reach Equipment, LLC and served also as the interim Chief Executive Officer and a director of Eagle High Reach Equipment, Inc. Mr. Bagley will continue as a manager and director, respectively, of Eagle High Reach Equipment, LLC (now H&E California Holdings, Inc.) and Eagle High Reach Equipment, Inc. (now H&E California Holdings, Inc.). Mr. Bagley held approximately 25.3% of the ownership interests in Eagle High Reach Equipment, Inc. and he received his proportionate share of the net proceeds received by the holders (sellers) of Eagle High Reach Equipment, Inc.

Management Agreement

Each of Head & Engquist and ICM were acquired by affiliates of Bruckmann, Rosser, Sherrill & Co., Inc. (“BRS Inc.”) in 1999, pursuant to separate recapitalization transactions. In connection with those transactions, we entered into management services agreements with BRS Inc. and Bruckmann, Rosser, Sherrill & Co., L.L.C. (“BRS L.L.C.”), affiliates of BRS, pursuant to which BRS Inc. and BRS L.L.C. agreed to provide certain advisory and consulting services to us, relating to business and organizational strategy, financial and investment management and merchant and investment banking. In exchange for such services, we agreed to pay BRS Inc. and BRS L.L.C. (i) \$7.2 million of transaction fees in connection with the ICM and Head & Engquist recapitalization transactions, (ii) an annual fee during the term of this agreement equal to the lesser of \$2.0 million, or 1.75%, of our yearly

EBITDA before operating lease expense on rental fleet equipment, plus all reasonable out-of-pocket fees and expenses, and (iii) a transaction fee in connection with each material acquisition, divestiture or financing or refinancing we enter into in an amount equal to 1.25% of the aggregate value of such transaction plus all reasonable out-of-pocket fees and expenses. For the period January 1, 2006 up to the date of the date of our initial public offering, the Company paid BRS L.L.C. approximately \$302,000 under the agreement. The management services agreement was terminated as of the closing of our initial public offering, with the payment of a termination fee by us to BRS L.L.C. of \$8.0 million.

Consulting Agreement

On July 31, 2004, H&E LLC, the predecessor company to H&E Equipment Services, Inc., entered into a consulting and noncompetition agreement with Gary W. Bagley, our current Chairman. Such agreement provides for, among other things:

- an initial term of five years; thereafter this agreement may be renewed on a year to year basis, subject to mutual agreement of the parties;
- a consulting fee of \$150,000 per year plus reimbursement of all reasonable and actual out-of-pocket expenses;
- welfare benefits, including medical, dental, life and disability insurance; and
- confidentiality of information obtained during employment, non-competition and nonsolicitation.

Securityholders Agreement

In connection with the formation of H&E Holdings and the related combination of the ICM and Head & Engquist businesses (the “2002 Transactions”), H&E Holdings entered into a securityholders agreement with affiliates of BRS, certain members of management and other members of H&E Holdings. The Company entered into an amended and restated securityholders agreement with certain stockholders in connection with the Reorganization Transactions, which eliminated certain provisions which would not be appropriate for a company with publicly traded equity securities and, among other things, provided for restrictions on the transfer of equity interests.

Registration Rights Agreement

In connection with the financing of the 2002 Transactions, H&E Holdings entered into a registration rights agreement with affiliates of BRS, certain members of management and other members of H&E Holdings. In connection with the Reorganization Transactions, the parties amended and restated the registration rights agreement to provide that the registration rights agreement thereafter applies to our common stock held by the parties. The amendment provides that the registration rights that previously applied to units of H&E Holdings thereafter apply to the common stock held by the parties thereto.

Investor Rights Agreement

In connection with the financing of the 2002 Transactions, H&E Holdings entered into an investor rights agreement with affiliates of BRS, Credit Suisse First Boston Corporation and other members of H&E Holdings. Certain provisions of the investor rights agreement, including the provisions concerning tag-along rights, consent to a sale of H&E Holdings, and the grant of preemptive rights terminated upon the consummation of our initial public offering in February 2006. In connection with the Reorganization Transactions and our initial public offering, the parties amended and restated the investor rights agreement to provide that the non-voting observer rights of one of the holders of our senior subordinated notes will be terminated. Pursuant to the terms of the investor rights agreement, subject to certain conditions, on any two occasions after 180 days after the first public offering, the holders of 33% or more of the equity interests issued to the investor on the date of the investor rights agreement (or successor securities) have the right to require H&E Holdings to register all or part of such equity interests under the Securities Act at H&E Holdings’ expense. In addition, the investor is entitled to request the inclusion of any equity interests subject to the investor rights agreement in any registration statement at the expense of H&E Holdings

whenever H&E Holdings proposes to register any of its equity interests under the Securities Act. In connection with all such registrations, H&E Holdings has agreed to indemnify the investor against certain liabilities, including liabilities under the Securities Act. In connection with the Reorganization Transactions, the parties amended and restated the investor rights agreement to provide that the investor rights agreement thereafter applies to our common stock held by the parties.

Limited Liability Company Agreement

In connection with the 2002 Transactions, affiliates of BRS, certain members of management and the other members of H&E Holdings entered into a limited liability company agreement of H&E Holdings. This operating agreement governed the relative rights and duties of the members of H&E Holdings.

Membership Interests. The ownership interests of the members in H&E Holdings consisted of Preferred Units and Common Units. The Common Units represented the common equity of H&E Holdings and consisted of Class A Common Units and Class B Common Units. The Preferred Units consisted of Series A Preferred Units, Series B Preferred Units, Series C Preferred Units and Series D Preferred Units (the "Voting Preferred Units"). Each member was entitled to (x) two votes per Class A Common Unit held by such member, (y) one vote per Class B Common Unit held by such member and (z) one vote for each Voting Preferred Unit held by such member. Holders of the Preferred Units were entitled to return of capital contributions prior to any distributions made to holders of the Common Units.

Distributions. Subject to any restrictions contained in any agreements involving payments to third parties, the board of directors of H&E Holdings could make distributions, whether in available cash or other assets of H&E Holdings, at any time or from time to time in the following order of priority:

First, to the holders of Series A Preferred Units in proportion to and to the extent of the Series A Preferred Redemption Values (as defined and described in the limited liability company agreement) of such Series A Preferred Units.

Second, to the holders of Series B Preferred Units in proportion to and to the extent of the Series B Preferred Redemption Values (as defined and described in the limited liability company agreement) of such Series B Preferred Units.

Third, to the holders of Series C Preferred Units, in proportion to and to the extent of the Series C Preferred Redemption Values (as defined and described in the limited liability company agreement) of such Series C Preferred Units.

Fourth, to the holders of the Series D Preferred Units, in proportion to and to the extent of the Series D Preferred Redemption Values (as defined and described in the limited liability company agreement) of such Series D Preferred Units.

Fifth, pro rata to the holders of Common Units, based upon the number of Common Units held.

The limited liability company agreement placed certain restrictions on the ability of H&E Holdings to make distributions attributable to the Preferred Units prior to June 30, 2022.

Board of Directors. The board of directors of H&E Holdings consisted of "Class A Directors" and "Class B Directors." Each Class A Director was entitled to two votes and each Class B Director is entitled to one vote. At no time was the authorized number of Class B Directors to exceed that number which would provide all of the then authorized Class B Directors with a number of votes that exceeded 50% of the number of votes of the then authorized number of Class A Directors. The Class A Directors were elected by the members which owned a majority of the number of votes of all Common Units then-outstanding. The Class B Directors were elected by the members which owned a majority of the number of votes of all of the Voting Preferred Units then-outstanding.

In connection with the Reorganization Transactions, the H&E Holdings operating agreement was terminated.

Related Party Transactions

The Company has a policy that the Audit Committee review any transaction in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. The Audit Committee is responsible for reviewing and, if appropriate, approving or ratifying any such related party transaction. This policy is evidenced in the Company's Code of Conduct and has been further communicated orally by the Board.

In determining whether to approve, disapprove or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, (i) whether the transaction is on terms no less favorable to the Company than terms that would otherwise be generally available to the Company if the transaction was entered into under the same or similar circumstances with a party unaffiliated with the Company and (ii) the extent of the interest of the related party in the transaction.

Below are the related party transactions which occurred during the fiscal year ended December 31, 2006. All such related party transactions have been approved or ratified by the Company's Audit Committee or are pursuant to contractual arrangements entered into prior to the Company's initial public offering.

Engquist. Ms. Engquist received \$300,000 during 2006 under this arrangement.

Mr. Engquist's son is one of our employees and received compensation of approximately \$194,000 in 2006.

HOUSEHOLDING

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Company's proxy statement or annual report may have been sent to multiple stockholders in your household. The Company will promptly deliver a separate copy of either document to you if you request one by writing or calling as follows: Investor Relations, 11100 Mead Road, Suite 200, Baton Rouge, LA 70816; Telephone: 225-298-5200. If you want to receive separate copies of the annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address and phone number.
